FEEDING ADVICE

	Weight	2 - 10 kg	11 - 30 kg	+ 30 kg
	Daily Ration	19 - 13 g x kg	12 - 10 g x kg	10 - 8 g x kg

1 dl = 35 g. Recommended amount depends on your dog's age and activity levels and should be split over two meals a day. Always feed Husse dry food with a bowl of fresh water.

Lamm & Ris

For dogs with sensitive digestive systems and allergy problems

Lamm & Ris (Lamb & Rice) is a super premium product made from highly digestible ingredients, which are suitable for dogs with sensitive stomachs. It is less likely than other foods to cause allergies. Lamm & Ris is free from artificial colourants and preservatives.

1. REDUCES THE RISK OF STOMACH PROBLEMS & FOOD ALLERGIES

- Contains lamb as highest protein source which triggers very few allergies
- Rice is the grain source to reduce risk of gluten reactions
- With fructo-oligosaccharides and yeast to reduce risk of diarrhoea
- Contains lecithin to increase digestibility of fats
- With beet fibres to promote intestinal health

2. PROMOTES HEALTHY, SHINY COAT

- Contains biotin, a B-Vitamin, to help build up a good coat
- Rich in fatty acids Omega 3 and Omega 6 to improve the condition of the skin and coat
- Enriched with copper to stimulate enzymes which maintain colour of coat

3. STRENGTHENS THE IMMUNE SYSTEM

- Enriched with Vitamins A and E which increase resistance to disease and boost immune system
- With beta-carotene, an antioxidant to strengthen natural immunity
- Optimal content of fatty acids Omega 3 and Omega 6 to counteract inflammations and strengthen immunity

4. RICH IN MINERALS TO STRENGTHEN BONES AND TEETH

- Right balance of calcium and phosphorous to strengthen bones and teeth
- Enriched with vitamin D to increase absorption of calcium and phosphorous

5. VERY TASTY

- Contains hydrolysed chicken protein to give a great taste
- Highest quality ingredients give taste that dogs love
